

*Rec mgt 5-1-3*

27 October 1953

25X1A9a

Attached is the Records Center PRC submittal and the appendices. With the exception of a few minor changes, it is substantially the same as originally dictated by you. (~~Your copy is also~~ attached.)

Please note the difference in the size of the proposed building as stated in the memo and as shown on the cost estimate. It seems to me the Committee may feel we are not consistent unless I revise our figures.
